

# TREATY OF COVENANCE

Between Human beings that fully acknowledge and embody that human consciousness and free will is now ready, in its evolution of free will, to become a part of cosmic will once again,  
and

Benevolent Star Nations cultures that manifest alignment of Cosmic will and the care to assist all of humanity regain its alignment within Universal and Cosmic Law.

*The Treaty of Covenace is a binding agreement between all Nations on Earth, and Star Nations that cooperatively engage with the intent of alignment and integration of Universal and Cosmic Law as the evolutionary foundation of Infinities Intent.*

*The Parties to this Treaty reaffirm their faith in the purposes and principles of Universal and Cosmic Law and their desire to live in peace with all peoples both terrestrial and of Star Nations origin. They are determined to safeguard the freedom, common heritage and civilisation of their peoples, founded on the principles of individual liberty, abundance and the rule of love. They seek to promote stability and well-being on Earth and bring an end to destructive rule of governance, commerce and oppression.*

*They are resolved to unite their efforts for collective wellbeing and for the preservation of peace and security. They therefore agree to this Treaty of Covenace :*

- Article 1 All terrestrial Earth Governments will prioritise the foundation agreement between Earth nations for guiding international governance into accord with Universal and Cosmic law for the benefit of humanity globally. That to uphold International law as a responsible government is to settle any international dispute in which they may be involved by peaceful means in such a manner that international peace and justice are not endangered, and to refrain in their international relations from the threat or use of force (be it military, psychological, economic or by any other manipulative means) in any manner, and that openness, transparency, honesty and service are the foundation of cultural leadership and national governance.
- Article 2 All terrestrial Earth Governments, ExtraTerrestrials and UltraTerrestrials and all beings that have the power of influence agree to the open sharing of intelligence and technology that will assist human beings to assemble reality aligned with the intent of cosmic intelligence, or infinity's Intent, and will engage such civilisation advance in alignment with Universal and Cosmic law.

- Article 3 All parties agree that individual Soul Sovereignty is the keynote of freedom and that service of governance is a duty of obligation to empower, foster and enhance the quality of life and the individual, autonomous freedom of the people to whom service is avowed in acceptance of any form of leadership assumed.
- Article 4 All parties agree that openness and visibility based on integral alignment with Universal/Cosmic Law is fundamental to uphold right action of service and that all covert strategies and hidden agendas will be disclosed and surrendered such that cooperative engagement can be undertaken in an environment of trust in service to the mutual benefit of evolution in accord with Infinities Intent and Universal/Cosmic Law.
- Article 5 The agreement of covenant is established on the foundation of acknowledgement of the individual's right to Soul Sovereign autonomy and the freedom of Self authority. As such, this is an agreement of covenant that one keeps with oneself. This individually formulated covenant is committed to the expression of the greatest will of benevolence for self, life and others. This is a specific covenant of agreement for all individual beings to be enabled to equally participate in life as an evolutionary expression of the measure of excellence attainable at the current moment of life in service to the actualisation of Infinity's intent of being and the natural creative life energies that define Universal and Cosmic Law. All parties agree to prioritising the empowerment of this agreement through education and enrichment of individuality as the cornerstone of service.
- Article 6 All parties agree to openly share intelligence, scientific and cultural advance, honouring the cultural, religious and humanist inheritances of the Earth, alongside honouring the previous interaction of Star Nations peoples, as evident in archaeological record at all stages of human civilisation advance, and in recognition of the current cycle of civilisation advance by which Extraterrestrial and Ultraterrestrial beings are invited once again to participate in. In full respect of the current cycle of civilisation advance, all scientific, academic and technological awareness will be held open with willingness to review in light of new knowledge, both terrestrially and extraterrestrially manifest, that transcends current methodologies and understanding.
- Article 7 All parties agree with mutual care that all contractual agreements will be maintained within the intent of Universal collective service.

This Treaty shall be ratified and its provisions carried out by the Parties in accordance with their respective constitutional processes. Once submitted and notarised, failure to respond to this treaty within ten days will be taken as agreement and consent to the treaty provisions.

*In essence the treaty does not seek to procure a gain from the Star Nations People. There is an equal exchange. Human beings will return to the natural state of alignment within Universal culture, and we will return to the Star Nations People the accomplishment of our willingness to have gone through the cycle of karma and shadow integration. The Treaty of Covenant holds at its heart the will of evolution for the refinement of being throughout the cosm.*
